

## Agenda

- 1) Detailed Design Review
  - a. 2-19-2016
  - b. What needs to happen by end of this week?
  - c. Next week?
  - d. Compile information
- 2) Tool Progress
  - a. New hacksaw
    - i. 12 or 10"
  - b. Reamer
  - c. Lather tool
- 3) Next testing
  - a. 12 ft coil?

## Notes

- 1) All tools need to be completed by the end of this week
- 2) Testing happens all next week
- 3) For design review, we need a better picture of the hacksaw and winch
- 4) Wearing jeans/polo for design review
- 5) Maybe try calculation for thermal shrinking of tube?
